Hello Old Buddy —

I am on my tummy as I write, you know the reason. I was operated on Sunday night and am getting along swell, cant walk as yet, will be a few days I guess. Boy the Lieutenants are swell, wear combat boots, creases in the clothes that would cut your finger, perfume and powder, have long black hair, you should see the redhead, I mean nurses you dodo. I had better not say too much or you will be pleading with some brand to burp-gun you and the gang. Tell the boys hello and thank Jimmie for the haircut. Will write and let you know when I am coming back. Dont take any chances.

your Buddy
